## Guide and Seedling Application Form

[saskpower.com](http://saskpower.com)

 **SaskPower**  
Powering the future<sup>®</sup>

## Applications accepted July 1 – March 15 on a first-come, first-served basis

Each year SaskPower Shand Greenhouse produces hundreds of thousands of tree seedlings to distribute throughout Saskatchewan in support of education, conservation and habitat enhancement efforts. These seedlings are grown in the Shand Greenhouse utilizing waste heat from the adjacent Shand Power Station. Producing and distributing seedlings is one important way in which SaskPower fulfills our commitment to environmental responsibility, while providing our customers with a safe, reliable and affordable source of electricity.

## Selection Criteria

Shand Greenhouse provides tree and shrub species to eligible groups for the following purposes:

1. The afforestation of portions of Saskatchewan in order to assist in the mitigation of carbon dioxide emissions;
2. Land conservation, shelterbelts, land reclamation, phytoremediation, parks, community enhancement and the creation of new habitat for wildlife;
3. Promotional events that expand the awareness and understanding of the importance of trees to our environment and display the Shand Greenhouse educational/promotional materials; species will be restricted and determined by Shand Greenhouse.

## Who is Eligible?

All projects that meet the above selection criteria and will be planted on land holdings no less than 4.04 hectares (10 acres) are eligible provided the intent of the project is not the following: aesthetic landscaping immediately adjacent to a home, business or cottage; where harvesting of the plants or their products is primarily intended to produce profit or gain; or where the planting is required by law or to address environmental impacts identified as part of an environmental assessment.

Seedlings will be provided upon review of each individual application and processed on a first-come, first-served basis. Shand Greenhouse management reserves the right to restrict the number and types of species going to projects as it sees fit. All applications are subject to approval based on the requirements stated and may be declined at the discretion of the Shand Greenhouse.

### Before you submit your application:

- Checklist:
1. Did I fill out all my contact information?
  2. Did I include a diagram of my project?
  3. Did I sign my application?
  4. Did I keep a copy of my application for myself?

### Send completed applications to:

(both sides of application)

**2. Tree Species:** The following is a list of tree species usually available. Indicate the ACTUAL number of trees per species needed in the brackets in multiples of 10. For example, to order 20 trees, it would read as follows:  
10 x 2 = [20].

- |                                     |                                  |   |
|-------------------------------------|----------------------------------|---|
| 10 x ___ = [ ] Acute Willow         | 10 x ___ = [ ] Paper Birch       | 10 x ___ = [ ] Siberian Crab                                  |
| 10 x ___ = [ ] Buffaloberry         | 10 x ___ = [ ] Pincherry         | 10 x ___ = [ ] Siberian Larch                                 |
| 10 x ___ = [ ] Bur Oak              | 10 x ___ = [ ] Plains Cottonwood | 10 x ___ = [ ] Trembling Aspen                                |
| 10 x ___ = [ ] Caragana             | 10 x ___ = [ ] Red Elder         | 10 x ___ = [ ] Villosa Lilac                                  |
| 10 x ___ = [ ] Chokecherry          | 10 x ___ = [ ] Red Osier Dogwood | 10 x ___ = [ ] White Spruce                                   |
| 10 x ___ = [ ] Colorado Blue Spruce | 10 x ___ = [ ] Sand Cherry       | 10 x ___ = [ ] Individual Giveaways<br>for Promotional Events |
| 10 x ___ = [ ] Green Ash            | 10 x ___ = [ ] Saskatoon         |   |
| 10 x ___ = [ ] Hybrid Poplar        | 10 x ___ = [ ] Scots Pine        |   |
| 10 x ___ = [ ] Jack Pine            | 10 x ___ = [ ] Sea Buckthorn     |   |
| 10 x ___ = [ ] Manitoba Maple       | 10 x ___ = [ ] Shrub Willow      |   |

**3. Type of tree planting project (please check all that apply and explain briefly).**

- |   |   |   |
|---|---|---|
| <input type="checkbox"/> Land Conservation            | <input type="checkbox"/> Shelterbelt or Grove | <input type="checkbox"/> Afforestation    |
| <input type="checkbox"/> Wildlife Habitat             | <input type="checkbox"/> Land Reclamation     | <input type="checkbox"/> Phytoremediation |
| <input type="checkbox"/> Public Community Enhancement | <input type="checkbox"/> Promotional Giveaway |   |
| <input type="checkbox"/> Other: _____                 |   |   |

4. Detailed Diagram of Planting Project. Please attach a detailed diagram of your planting project either below or on an separate page. A diagram must be completed each time you make an application for seedlings.

Please take into consideration distance from roads, buildings and power lines; soil types, general land layout and your commitment to maintenance when planning your project. Please note suggested spacing for tree and shrub species:

- |                    |   |                            |
|--------------------|---|----------------------------|
| ◦ coniferous trees | (e.g. spruces, pines, larch)            | 3.5 metres (12 feet) apart |
| ◦ deciduous trees  | (e.g. maple, green ash, poplar, willow) | 2.5 metres (8 feet) apart  |
| ◦ shrubs           | (e.g. buffaloberry, chokecherry, lilac) | 1 metre (3 feet) apart     |

For all projects, I agree that the seedlings received from SaskPower Shand Greenhouse for the proposed planting project will be properly planted and maintained over the next 3 years. I declare that these seedlings are not intended for landscaping, profit or personal gain, but are for the improvement of the environment through the project described herein; that these seedlings will not be moved to other locations without authorization, sold or given away to another party. I authorize site inspections by a designated representative of SaskPower Shand Greenhouse as required. If trees are for a promotional event, I agree to display SaskPower Shand Greenhouse advertising/ educational materials as provided. SaskPower Shand Greenhouse collects personal information from applicants in order to verify and process applications and to enable the maintenance of a mailing list to stay in contact with clients. SaskPower Shand Greenhouse mailing lists are not sold or provided to other organizations. By your signature you are consenting to the collection and use of your personal information for these purposes. If you do not wish to have your name on our mailing list please check the space indicating your wish and SaskPower Shand Greenhouse will honour your request not to be included in the mailing list.
